

RELIGIOUS INSTITUTIONS SAY NO TO FGM

If the purpose of female genital circumcision is cutting [the] clitoris **this operation is not right and is not a religious tradition**. If the girl is hurt, it is **prohibited**. Cutting off a part of a girl's genitals is certainly a **crime against girls** and there is no permission and justification for parents to do this operation.

• GRAND AYATOLLAH ALI AL-SISTANI, IRAQ

The many forms of slavery, the commercialization, and **mutilation of the bodies of women**, call out to us to be **committed to defeat** these types of degradation that reduce them to mere objects that are bought and sold...

POPE FRANCIS,
266TH POPE OF THE
CATHOLIC CHURCH

MULAVI SHEIKH SALAHEDIN CHARAKI,
SUNNI CLERIC FROM PARSIAAN

There are good reasons that female circumcision is **not necessary any more**. It has **many disadvantages** (...) Imam Shafi'i has two different opinions about circumcision and other Sunni imams do not believe that it is compulsory. (...) **I have not circumcised any of my three daughters** because I am afraid of the **dangers** to their body and soul.
